Re: Amended Schedule A - Primary Election - 1/1/98 to 3/31/98
ID #: C00311852

Dear Ms. Kelly:

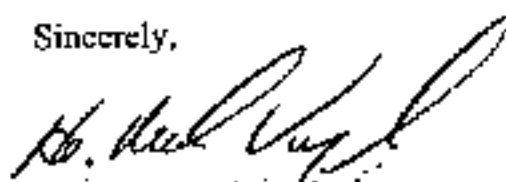

It was recently called to our attention by Build PAC, the Political Action Committee of The National Association of Home Builders, that their contribution of \$2,500 on February 2, 1998 (deposited to Friends of John Peterson account on February 24, 1998) was mis-identified on our FEC report for the period ending 3/31/98 as a *General* Election item, rather than a *Primary* Election item.

Line A, Schedule B of Build PAC's report shows that they identified the contribution as *Primary*, while we mistakenly logged it in as *General*. A copy of page 7 of Build PAC's report is enclosed.

Also enclosed is an amended Schedule A from our 3/31/98 report, with Line D changed to reflect Build PAC's intent that the contribution be posted for Primary 1998.

Please let this letter and enclosures serve as amendment to the report.

Sincerely,

H. Michael Vinopal
Treasurer
